HNES does not accept any government vouchers or funding for tuition, including the HB1 funding recently passed in the 2023 Florida legislative session. As an independent school, Holy Nativity does not want to be beholden to the potential oversight, mandates, reporting, audits, or requirements associated with the acceptance of State or Federal government scholarship programs and/or vouchers. As a school serving grades Jr-PreK - 8th, we take pride in our status as an Independent Episcopal School, determining our curriculum, program, experiences, and efforts to do "what's best for our students." (For additional information on Tuition Assistance, see below.)

Financial Aid

Holy Nativity is committed to attracting well-rounded, diverse and motivated students. Enrollment, we believe, should be open to all families, which is why we offer need-based financial aid for grades K-8th. The enrollment deposit is non-refundable. Applications are completely confidential and filed through the National Association of Independent Schools, School Student Services (SSS) at <https://sssandtadsfa.force.com/familyportal>. Their fee is \$60. The deadline for returning students' financial aid applications is March 1, 2025. Applications are accepted at any time; however, awards may not be available for later submissions.
